BESKRIVELSE

Talentet Ne Voco debutterer med et kick-spark i ny dansk litteratur, et opråb fra koteletgrunden: Omo-Bitch! Uddrag fra romanen: ”Der er det med Omo, at hun har SÅ meget hengemt X-Factor, SÅ meget potentiale! Hun indeholder enorme mængder væksthormon; nok til at gøre flere tusinde graviditetstest positive. Hun kunne købe alle europæiske apotekers beholdning af Clinic Direct, tisse på dem, vente i tre minutter og producere røde streger i metervis, i dagevis. Hun kunne farve Peterskirkens ydermure lyserøde med gravid-streger; hun kunne forbinde månen med jorden i en rød superstreng af væksthormon; der er bare SÅ meget at komme efter.”

HVAD SIGER GOOGLE OM DENNE BOG?

Bitch, Bitch, Bitch is a song that was written for the 1994 Complete Works Gothic Musical Thriller album , replacing Sir Danvers , serving as an introduction to the snide Governors. It is performed by the "vicious party guests" at Jekyll and Lisa's engagement party, and was later dropped...

main bitch A term for a relationship with a woman that must be sexual, but explicitly cannot be a The "main bitch" has the ability to get closer than other girls to her man emotionally, but probably doesn't...
